What we'll do next

We'll always do our best to fix the issue straight away. Please allow us up to 8 weeks to resolve a complaint. We hope to do this much quicker and we'll keep you updated step-by-step. We will aim to resolve payment related complaints within 15 business days.

Step 1

If we haven't managed to resolve your complaint, we'll be in touch with an update no later than 10 days after you logged it. We'll give you details of how we intend to resolve your complaint and a note of your complaint reference number.

If we need to call you to find out more, it's worth knowing that some calls may display as 'unknown', 'private' or 'withheld' on certain handsets. We'll send you a text where we can, to let you know we're trying to reach you. We'll also send an email if you give us an address – check your junk email in case these messages end up there.

Step 2

We'll keep you updated regularly, but if you have any questions, you'll be able to contact our complaints team directly.

Step 3

We'll try to sort it all out as quickly as possible and also keep you updated on our progress.

If you're unhappy with our progress, you can contact our complaints team through our online form, on WebChat, or on the phone.
